

## **2024 Annual Work Report**

In 2024, the International Patriotic Pact Organization (IPPO) projects were successfully implemented in Switzerland. Adhering to the international patriotic philosophy of **"love our own country, cannot sacrifice the interests of other countries,"** IPPO actively engaged in a series of international exchange and cooperation activities, making positive contributions to promoting global peace, stability, and development. This report aims to summarize IPPO's achievements and experiences in 2024 and look forward to future development directions.

### **Major Work and Achievements in 2024**

#### **1. International Conferences and Exchanges**

○ On January 22, during the 45th Universal Periodic Review of the United Nations, an information-sharing exchange on "Human Rights Situation and Social Development in Xinjiang" was successfully held in Geneva, Switzerland, attracting the participation of numerous international organization representatives, scholars, and members of society. The event addressed international concerns regarding human rights and development in Xinjiang, showcasing China's positive achievements in human rights protection.

○ On February 7, during the 62nd Session of the United Nations Commission for Social Development, a side event themed "Family Enterprises and Sustainable Development Goals" was held at the United Nations Headquarters in New York, facilitating exchanges and cooperation among non-governmental organizations from various countries in the sustainable development of family enterprises.

○ During the 55th, 56th, and 57th Sessions of the United Nations Human Rights Council, IPPO representatives repeatedly voiced calls for the international community to jointly uphold peace, cooperation, and human rights, and promote the signing and cooperation of the International Patriotic Pact among non-governmental organizations, garnering widespread participation and support.

○ On November 21, at the International Conference on "Sanctions, Business, and Human Rights" of the United Nations Human Rights Council, IPPO representatives strongly condemned the unilateral sanctions imposed by the United States and called on the international community to jointly uphold the international rule of law.

#### **2. Initiation and Promotion of the International Patriotic Pact**

○ On May 2, the Council released the "Draft International Patriotic Pact" and solicited opinions from the international community through various channels, receiving positive responses and signatory support from

141 non-governmental organizations from 49 countries.

○ From May 9 to 10, during the United Nations Conference of Non-Governmental Organizations, an exhibition titled "Civilization and the Future of Humanity: Initiative for the International Patriotic Pact '**love our own country, cannot sacrifice the interests of other countries**'" was held at the United Nations Office in Nairobi, attracting over 40 non-governmental organizations from various countries to sign up and join.

○ On August 21, the 2024 Edition of the "Constitution of the International Patriotic Pact Organization" was released, providing institutional guarantees for the future development of IPPO. On December 5, the new logo of IPPO was approved by the Legal Office of the Non-Governmental Organizations Liaison Service of the United Nations Office in Geneva, marking a significant upgrade of IPPO's brand image.

### 3. Establishment of Cooperation and Partnerships

○ IPPO has established good cooperative relationships with multiple embassies in China and international non-governmental organizations, jointly promoting the dissemination and practice of the International Patriotic Pact Initiative.

○ IPPO has received strong support and guidance from international organizations such as the Non-Governmental Organizations Branch of the United Nations Office in Geneva and the United Nations Human Rights Council.

### 4. Activities in China and Enhancement of International Influence

○ On March 19, a "Training Course on Consultative Status with the United Nations Economic and Social Council" was successfully held in Shaanxi Province, with the participation of over 30 non-governmental organizations from the province.

○ On July 17, during the High-Level Political Forum on Sustainable Development of the United Nations Economic and Social Council, a side event titled "Forum for Building a Shared Planet" was successfully held in Beijing, gathering experts, scholars, and non-governmental organization representatives from around the world to jointly explore new paths for sustainable development and global governance.

○ IPPO's initiatives and activities have garnered widespread participation from international non-governmental organizations, enhancing IPPO's international reputation and influence.

### 5. International Patriotic Pact Organization Forum and Exploration of National Development Rights Review

○ On June 20, the "Forum on China's Contribution to the 2030 Agenda

for Sustainable Development" of the International Patriotic Pact Organization was successfully held at the United Nations Office in Geneva. Over 30 representatives from IPPO initiator institutions in 15 countries attended the forum to discuss China's national development rights on an exploratory basis.

### **三、Existing Problems and Challenges**

Despite the significant achievements of IPPO in 2024, it still faces some problems and challenges, such as insufficient participation from international and national governments, limited international resources, the need to further enhance international influence, the need to improve the review mechanism for national development rights of the International Patriotic Pact Organization, and the need to continue promoting the International Patriotic Pact Initiative.

### **四、Future Prospects**

#### **1. Continue to Promote the Supplementation and Improvement of the International Patriotic Pact**

Strengthen communication and cooperation with non-governmental organizations from various countries, solicit opinions from the international community, and strive to complete the national participation and promotion of the Pact as soon as possible.

#### **2. Strengthen International Cooperation and Exchanges**

Actively participate in international conferences and activities, expand partnerships, and further enhance IPPO's influence on the international stage.

#### **3. Deepen Domestic Activities and International Dissemination**

Continue to organize high-quality domestic activities and strengthen cooperation with international media to enhance IPPO's international reputation and influence.

#### **4. Explore New Cooperation Models and Mechanisms**

Innovate cooperation models and mechanisms, attract more domestic and international resources to support the development of IPPO, and promote the widespread dissemination and practice of the International Patriotic Pact Initiative globally.

### **五、Conclusion**

2024 was a significant year in the development of IPPO. Facing the future, IPPO will continue to uphold the international patriotic philosophy of "Love One's Country without Sacrificing the Interests of Others," actively promote global peace, stability, and development, and contribute Chinese wisdom and strength to building a community with a shared future for mankind.
